Dear Sigrid,

TEAM'S Sixth Form Conference at Stamford Endowed Schools, St.Martin's, Stamford, Lincolnshire, on Thursday 29 June 2000

General Theme:- " Current Developments in Europe "

Thank you very much indeed for so kindly giving up your valuable time to deliver such a splendid presentation at the above Conference

All the pupils not only really enjoyed your lecture but also appreciated the frank and clear answers given by you to their questions.

We do hope that you will be able to speak at one of our Conferences or Seminars in the future.

With warmest good wishes from Jenny and myself,

Yours sincerely,

Allan
